

In-Office or In-Home Sessions with a Portable Studio

Monumental Arts offers both On-Site and Studio sessions – my unique specialty studio is located in Ft Washington, MD near National Harbor and just 2 miles south of the Beltway. The Studio has everything you need for a session, and most importantly, it's family-friendly!

However, sometimes a studio session isn't practical or feasible, so we offer the ability to bring the studio to you! On-site sessions, whether they are in your office or home, involve a fully-portable studio setup, and include white or black backdrops, lighting, and any other equipment needed. Other items can be provided with prior coordination.

Other indoor locations, such as a hotel lobby or hotel room, use the natural backdrop of the location and on/off camera flash to produce the desired lighting effect.
